

Request for Response to Bisan MARTIS via VHF CH16

~ Dredging Work: Bisan Seto North Traffic Route and Mizushima Traffic Route Intersection ~
July 1 - September 30, 2025

Message to All Passing Vessels

Bisan MARTIS (Marine Traffic Information Service) will provide information on dredging work zones, navigable areas, and risks of head-on passing situations. Your cooperation in the following matters is requested.

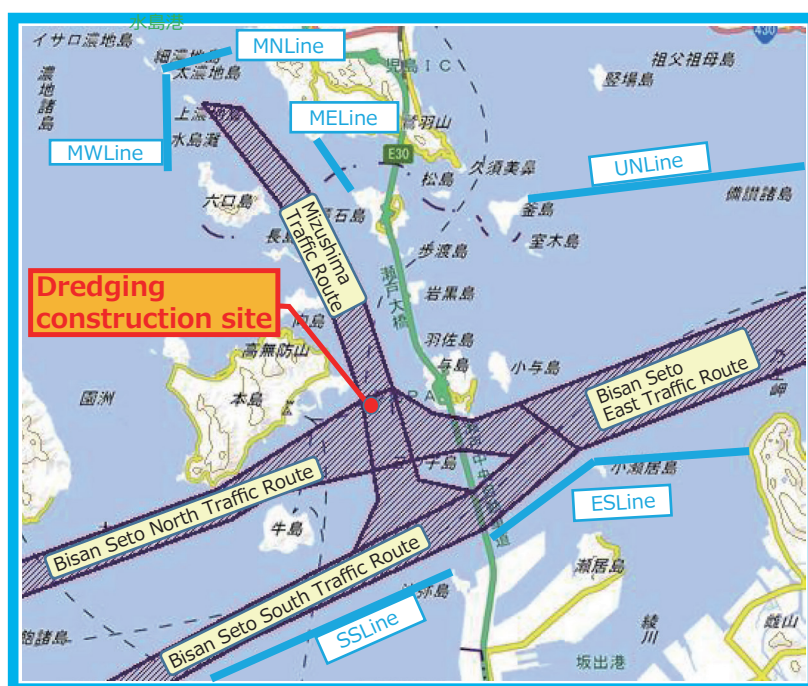

■ Listen and Respond to VHF CH16

Please keep VHF CH16 open at all times, and respond to any announcements from Bisan MARTIS.

■ Report at Position Reporting Lines

When passing a Position Reporting Line, please report the name of the line passed and your destination to Bisan MARTIS via VHF, maritime telephone, or cellphone.

※Telephone number: 0877-49-2220 or 0877-49-2221
